

Request for Proposal Notification – JULY 11, 2011

**Critical Hub Networks, Inc. –
Puerto Rico Bridge Initiative
Microwave Equipment**

Critical Hub Networks has been awarded federal funding through the American Recovery and Reinvestment Act of 2009 (ARRA). Per the agreement entered into between Critical Hub Networks and the federal government, Critical Hub is seeking proposals from qualified vendors for the acquisition of Microwave Equipment. The detailed specifications for materials and services associated for this request is available through Zeide Rojas at zrojas@prbridgeinitiative.org.

In compliance with our federal procurement procedures and in order to ensure transparency in this procurement and vendor selection process, all questions & communications in relation to this RFP must be channelized through Ms. Zeide Rojas, PRBI Project Coordinator. Ms. Rojas will be responsible for collecting all questions in relation to this RFP, gathering the correct responses to the questions from PRBI’s technical & legal staff, and publishing a full list of questions & responses to all vendors who have submitted a letter with their intent to bid by the deadline established. Any question which you ask will be made public. However, we will not disclose who asked the question.

Any vendor who attempts to communicate, seek information or discuss this RFP with any PRBI or Critical Hub Networks employee other than Ms. Rojas will be disqualified.

Ms. Rojas email is zrojas@prbridgeinitiative.org and her office number is 787-728-9767.
